SUBJECT: ARMENIA HAS SIGNED, STILL WORKING TO RATIFY,
CONVENTION FOR SUPPRESSION OF ACTS OF NUCLEAR TERRORISM

REF: STATE 102149

MFA Director of Arms Control and International Security Armen Yedigarian told pol/econ chief that the GOAM is in the process of acceding to the International Convention for the Suppression of Acts of Nuclear Terrorism. President Kocharian has signed the treaty, and it is currently undergoing required review by Armenia's Constitutional Court. It will then be sent to the National Assembly for ratification. Less clear was the GOAM's plan for getting started on that practical implementation.
